Dear Friends, Colleagues, and Bogey Golfers,

The Claydon Classic Golf Outing has its humble beginning years ago as a way for a group of family and friends to get together in the morning of the 4th of July to play a round of golf, wear jean shorts, and celebrate quality time with one another under the summer sun. Surprisingly, the laidback atmosphere, carefree attitude, and chic wardrobe attracted many others and the Claydon Classic group began to expand.

However, in May 2019, tragedy struck my family as we suddenly lost my younger brother, Ben. Ben was only 24 years old when he passed. Those that knew him, knew how brilliantly caring, genuine, and light-hearted he was. We pay remembrance to Ben at the Claydon Classic every year since his passing and play the tournament in his honor. The Claydon Classic proudly carries his cheerful and loving spirit every year.

Continuing this cheer, I am personally excited to announce that the Claydon Classic Golf Outing has finally emerged from its cocoon as an informal gathering of friends, family, and far-from-scratch golfers to an official and beautiful fundraising Golf Tournament butterfly.

Please mark your calendars now and join me and Educators of America on Saturday, July 3rd for the Annual Claydon Classic Golf Tournament. The tournament will be held at the Rothland Golf Course in Akron, NY with a 10 AM shotgun start. Your attendance is more than just an unforgettably good time with friends, family, and co-workers, you will be supporting two organizations that are dedicated to improving education and quality of life for youth in Western New York - Educators of America and Save the Michaels.

The registration form for the golf tournament is enclosed with this letter. If you are not available to join us on July 3rd, please consider making a sponsorship donation or asking your employer to contribute. There are many great opportunities for businesses to participate and show their commitment to the community. Every dollar will benefit students, teachers, and families in Western New York.

We are looking forward to sharing a phenomenal day with you on July 3rd. Thank you for your participation and support.

Sincerely,

Brett Claydon
