

**PROJECT BASED
LEARNING**

What should PBL look like?

Our approach to PBL is unique

We realized early on that PBL can be implemented in different "tiers" and so we customize a personalized workshop to each school's needs.

Fresno, CA

- 3 year in person and online consultancy
- cross-curricular school wide project
- EdTech lesson integration

Windhoek, NA

- 3 day offsite international PBL bootcamp
- Subject focused PBL project ideation, creation, and implementation
- Cultural competency building

Preston, ID

- 2 day Workshop
- Cross-curricular projects between teachers
- 2 year continuous 1:1 coaching sessions throughout the year for project ideation, creation, implementation, and evaluation
